

Harkcon Part of Team that Wins U.S. Coast Guard Contracts

10/27/09: McLEAN, VA – Harkcon, Inc. is part of a team that was recently awarded new contracts and option years totaling \$3.1 million under an existing Blanket Purchase Agreement with the U.S. Coast Guard.

Harkcon, in association with its business partner, Perot Systems, provides analytical, technical, project management and expert consultation to the Coast Guard's Human Resources Directorate (CG-1).

Harkcon will continue to provide subject matter expertise in implementing a Coast Guard officer corps management system, providing assistance with multiple personnel support requirements at the Coast Guard Personnel Service Center in Ballston, VA, complete the final year of assisting the Coast Guard with designing and implementing a manpower requirements determination system for its entire 60,000 workforce of active duty, reserve and civilian personnel, and continue a manpower requirements analysis of the enlisted Yeoman workforce.

Kevin Harkins, PhD, Harkcon's President/CEO, stated, "We are very pleased to continue our professional relationship with Perot and to be able to provide this critical work to the U.S. Coast Guard."

Harkcon has partnered with Perot Systems on a number of U.S. Coast Guard projects over the past four years.
